Travel Award Application
Placement Committee, Colin Koopman, Graduate Placement Committee Chair

Please submit to: koopman@uoregon.edu

Full information is at: https://philosophy.uoregon.edu/graduate/funding/
Please remember that PhD students are entitled to two conference reimbursements of $600 each and one interview reimbursement, over their whole period of enrollment in the PhD program. MA students are entitled to one conference or interview reimbursement. Reimbursements are made after this application is approved, after you have traveled, and **after** receipts for travel, hotel, and meals as well as conference documentation (you may present or just attend) are submitted to the Philosophy Department. Those applying who have already received their allotment of reimbursements will be considered if funds are available and their application is submitted before May 15 (you will not receive a response to that application before May 15 but it is worth your while to apply early). Both reimbursements within the allotment and in excess of it will be made in the order that applications have been approved. Applicants will be advised of approval by email.

Name _____

Email _____

UO ID _____

Name of Conference _____

Location _____ Dates _____

Title of Presentation if applicable _____

Please write a **very brief statement** of how this conference attendance/presentation fits in with your graduate work:

Number of Travel Awards Previously Received and Dates _____

Number of Interview Awards Previously Received and Dates _____
